e) Budget – <ul style="list-style-type: none"> As at March 7 2022, we had spent \$5,889.85. That is inclusive of the Poppa Ed invoice (I received no objection) and 2 X \$50 attendance fees for the provincial conference which may have been paid by the Regional HSJCC (summary provided to committee with agenda). We propose spending an additional \$1000.00 on gas/grocery cards. In the event that CMHA comes back to us with a final figure, we will use it for gas/grocery/taxi – i.e. whatever we can do quickly. In addition, Tim was advised that there was an additional \$1450 available from the Provincial HSJCC and, with that, additional gas/grocery cards were purchased. I do not believe we have used Hyland Taxi this past month so we should have \$480.00 on account. 	Lisa/All
