1. Welcome and Introductions

2. Review and Adoption of Minutes

- Minutes for Feb. 25 were approved by Wil vanDokkumburg, and seconded by Olenka Allison.
- Minutes for Mar. 23 were approved by Lisa Whittingham and seconded by Allison Hibbett.

3. Agenda:

- **Presentation: Heather Padgett & Karen Albert**
 - *Psychiatric Emergency Services*
- **Risk & Recovery Conference Recap**
 - The HSJCC sponsored several people to attend the Annual Risk & Recovery Conference recently, which was organized by St. Joseph's Healthcare Hamilton. By all accounts it was a great conference. Highlights this year included: Dr. Chaimowitz speaking about the *eHarm Risk Model*; Dr. Cantor speaking on *Hypersexuality*; and Dr. Rosenfeld speaking on the *Psychology of Torture*.

- **Addition to the Agenda: Review of Hamilton Crisis Protocols**
 - While it is not part of HSJCC, Lisa suggests that interested partners get together to review and update existing Hamilton Crisis Protocols. Protocols were developed prior to Social Navigation, COAST, PES, MCRRT, so those programs were not included. If you are interested in participating in this project, let Lisa know and she will try and organize something.

- **Addition to the Agenda: Report on Boulding Events**
 - Nancy Hall has compiled and submitted, "*The Mistakes I Made as a Lawyer*" summary report on the recent David Boulding Educational Series, which was organized and hosted by FASCETS Canada. Overall feedback was that the sessions were very good, informative, and full of great resources.

- **Review of Old Cases**

- **New Cases**
 - No new cases were added.
