**Priorities:**

To create a seamless continuum of care for clients involved within the criminal justice system and inform the system of local needs that incorporate an Aboriginal Strategy to address complex issues.

### Inputs

- Patients/clients and families while in hospital
- Mediation of complaints/conflicts between the hospital and First Nation Peoples.
- Provide cultural awareness education to hospital staff
- Provide access to an elder for traditional services
- Support for person receiving housing subsidy
- Provides interpreter services in Ojibwa and some Oji-crees
- Provides outreach services to First Nations Communities within the Treaty #3 area and inform First Nation Communities what services are provided in the hospital.
- 24 hour/7 days a weeks, everyday of the year care. 5 day stabilization Program
- Compassionate and safe management of chemical withdrawal
- Effective support and motivational counselling
- Referrals to treatment centers
- We co-ordinate individual counselling and group activities through the addiction system
- Telephone support and crisis relapse prevention

### Outputs: Activities

- Provide input into service delivery and system redesign
- Engage community partners in service delivery for those individuals with major mental health issues, cognitive disability, brain injury, dual diagnosis, concurrent disorders involved within the criminal justice system
- Provide system advocacy for individuals with major mental health issues, cognitive disability, brain injury, dual diagnosis, concurrent disorders involved within the criminal justice system
- Provide awareness to criminal justice partners, social service agencies, clients and families around the continuum of services within the criminal justice system
- Provide a standardized process to

### Outputs: Participation

- Formalize accountability agreements for all programs working with individuals involved within the criminal justice system
- Identify where service providers are to engage in conversations around services for those individuals involved within the criminal justice system by identify the juncture points around access and accountability
- Identify areas of local needs for capacity building within the District.

### Evaluation

- Alternative to correctional strategies
- Adapting to wider mandates
- Addressing issues as they arise

### Morningstar Center

- Crisis relapse prevention
- Telephone support and addiction system activities through the counselling and group centers
- Referrals to treatment
- Effective support and withdrawal management of chemical
- Compassionate and safe day stabilization Program
- Provided 24 hour/7 days a weeks, in the hospital.
- Provides housing subsidy
- Provides interpreter services in Ojibwa and some Oji-crees
- Provides interpreter services and receiving housing subsidy
- Provides outreach services to First Nations Communities
- Provides interpreter services in Ojibwa and some Oji-crees
- Provides interpreter services and receiving housing subsidy
- Provides outreach services to First Nations Communities
- Provides interpreter services in Ojibwa and some Oji-crees
- Provides interpreter services and receiving housing subsidy
- Provides outreach services to First Nations Communities

### Outcomes Short-Term (1-5 years)

- Formalize accountability agreements for all programs working with individuals involved within the criminal justice system
- Identify where service providers are to engage in conversations around services for those individuals involved within the criminal justice system by identify the juncture points around access and accountability
- Identify areas of local needs for capacity building within the District.

### Outcomes Long-Term (5-10 years)

- Provide input into system reform for those individuals involved within the criminal justice system
- Incorporate cultural approach to all programs delivered for those individuals involved within the criminal justice system
- Provide an Aboriginal Strategy to system reform within the criminal justice system

**External Factors**

- Stigma, Lack of access to Community Services, Lack of services, Criminalization of people with mental illness, Increased wait times, Insufficient capacity, Increased volume in Emergency Rooms, Increased number of assessment, Increased number of people charged, Increased jail population with mental illness, Increased Aboriginal Population charged and incarcerated
### External Factors
- Stigma
- Lack of access to Community Services
- Lack of services
- Criminalization of people with mental illness
- Increased wait times
- Insufficient capacity
- Increased volume in Emergency Rooms
- Increased number of assessment
- Increased number of people charged
- Increased jail population with mental illness
- Increased Aboriginal Population charged and incarcerated
