Review of November 1, 2018 minutes

Minutes were approved.

Review Action Items:

Reviewed and completed.

Presentation: Vivien Luk, CTO Coordinator, NYGH/CAMH

- Explore background to and criteria for issuing a CTO
- Review process for issuing a CTO
- Discuss the power of the CTO in recovery and risks
- Introduce CMHA CTO Case Management services

What is CTO?

- An Order that allows a certifiable patient the opportunity to continue their recovery in the community
- It is the least restrictive option for a certifiable patient
- The intent is to allow for a sustained commitment to relapse prevention
- Client need to understand the consequences of CTO
- Form 49, 47 and 45 were discussed

- Themes discussed: when using Form 47 and client is transported to the hospital using handcuffs, it can victimize the client, Form 47 will allow clients to be admitted to the emergency, apprehension is not an arrest.

Vivien Luk was thanked for her informative and interactive presentation
Presentation slide decks will be circulated.

Lunch and Learns

Discussion ensued about the next Lunch and Learn topic since only two people replied to the survey.

It was agreed to have the next session on Trauma Informed Care. Domenica will follow up on presenter and logistics.

Review Workplan 2018-2019

What we accomplished and future areas for consideration? Who is missing at the table?
It was agreed to continue with five meetings per year and three Lunch and Learns webinars.
Accomplishment: increase membership, attendance at meetings, and continue to identify issues.

It was agreed to reach out to people with lived experience (two members),
Continue to explore the interconnection of the police role, mental health and enforcement.

Requested Budget for the courthouse:

TTC Tokens: \$500

Food Vouchers: \$500

Lunch & Learns webinar \$2,140

Honorarium: \$480

Total budget: \$3,620

This year the cost of the webinars increased by \$600. It is not reflected in the budget request. However, we will suggest to the T-HSJCC if there are funds available at year end to allocate these to the third lunch and learn webinar. If no funds are available the third Lunch and Learn will be in the traditional format i.e only at the courthouse.

Workplan 2019-2020 will be approved at the next meeting with proposed meeting dates.
