

Ministry of Health and Long-Term Care Community Mental Health and Addiction Programs

Transfer Payment Agreement Schedules Guide and Template

INTRODUCTION

The intent of the “Community Mental Health and Addiction Program” (CMHAP) funding is to strengthen system support functions and direct services for the purpose of advancing **Phase 2 of Ontario’s Comprehensive Mental Health and Addictions Strategy**, which consists of five strategic pillars:

- Pillar 1. Promote resiliency and well-being in Ontarians
- Pillar 2. Ensure early identification and intervention
- Pillar 3. Expand housing, employment supports, and encourage diversion and transitions from the justice system
- Pillar 4. Right service, right time, right place (improve coordination and transitions)
- Pillar 5. Fund based on quality and need (funding reform)

CMHAP activities relate to one or more of the following system support functions and/or direct services:

1. **Information Management:** activities related to the management of mental health and addiction service system information, including personal client information.
2. **Collaboration & Collaborative Care:** activities related to collaborative care and collaboration in general, including new inter-agency relationships resulting in new protocols and agreements.
3. **Training and Professional Development:** activities intended to ensure appropriate initial & ongoing education and training of professionals/ para-professionals required to perform the full range of system functions.
4. **Knowledge Translation and Exchange:** activities intended to influence service provider behaviour through better knowledge of emerging issues and best-practices. Activities include clinical guideline development, promising practice identification, knowledge translation, knowledge transfer and mentoring, as well as monitoring and evaluation of the success of research and knowledge exchange.
5. **Service and System performance, Monitoring and Evaluation:** all quality assurance and standards activities intended to ensure that: a) services and supports are producing desired client outcomes; b) the system is operating in a way that supports improved client outcomes.
6. **Direct services:** activities involving client assessment and care planning, referrals to follow-up services/supports, and interventions to improve functioning and quality of life, support self-management, wellness, recovery and harm-reduction.

II. HSJCC Objectives

- a) Committee's over all goals and key commitments (from the P-HSJCC Terms of Reference. approved January 2019):

The goal of the Provincial HSJCC is to provide a provincial leadership mechanism to support the implementation of the Government of Ontario policy framework, *A Provincial Strategy to Coordinate Human Services and Criminal Justice System in Ontario* (1997), for people who come into contact with the justice system and who have needs that are appropriate to be met by one or more of the provincial human services systems.

Provincial HSJCC Partners: Ministries of the Attorney General, Children, Community and Social Services, Health and Long-Term Care, Solicitor General; Correctional Services Canada; Ontario Provincial Police; Ontario Association of Chiefs of Police; Legal Aid Ontario; Community Networks of Specialized Care, Canadian Mental Health Association Ontario

P-HSJCC membership: <http://hsjcc.on.ca/provincial-committee/committee-members/>

- a) Committee's specific objectives (from the P-HSJCC Terms of Reference approved January 2019):

The Provincial HSJCC's objectives:

- To support the individual and collective efforts of Regional and Local Committees
- To identify provincial service and policy issues and make recommendations to address such issues to appropriate government and other bodies as determined by the nature of the issues
- To identify solutions to systemic problems
- To promote consistency of approach across Ontario, while recognizing regional diversity
- To enhance the engagement of the HSJCC Network (which includes the Provincial, Regional and Local Committees)
- To share information across the HSJCC Network and beyond (knowledge transfer)
- To provide a structure for accountability for the HSJCC Network
