2018-2019 workplan and budget

Reviewed the 2017-2018 workplan which was circulated prior to the meeting. What have we accomplished? What have we learned? What do we want to change as we move forward? Outstanding issues? It was acknowledged that we achieved our objectives. Lunch and Learns are successful. Continue to welcome new members. No new changes were identified. There was support to continue with the regular five meetings and two Lunch and Learns. Continue with the TTC and food voucher support for the courthouse.

No changes to the budget were suggested. Domenica Dileo will circulate the 2018-2019 workplan to include the feedback and circulate to members for final input and will be approved at the next meeting in March.

Discussion ensued to contact the members on the membership list and ask if they would like to remain. It was noted that once a year all members are asked whether they want to remain on the list. It was also noted that there are different types on members -- some only want to receive correspondence ---we have a core membership of 15-20.

It was acknowledge that complex care is outstanding.

It was acknowledged that Toronto Housing, Homeless services, Scarborough Community Heath Centre are missing at the table.
