Tazio Clarke reported on the T-HSJCC meeting that took place on October 31, 2018.

Main agenda item was the Service Resolution Project. The T-HSJCC.

Reviewed two Service Resolution (SR) Project options for the HSJCC to support and next steps.

SR project: To identify gaps in access and support for individuals with complex needs in the justice system; Develop recommendations for integration of justice supports into the existing social and justice systems

Two options were presented. Pros and cons were discussed for Option 1 and 2. Option 1 is to continue supporting the Justice Coordinator role. Option 2 is to explore a Local HSJCC to transform into a SR table. There was concern that Option 2 requires more resources. The committee unanimously agreed to continue with Option 1 but continue to explore Option 2. Service Resolution differ from the situation/spider table as they address elevated risks not chronic issues and/or service gaps. Scarborough was acknowledged that it is underfunded.

The T-HSJCC to pursue and secure additional funding to support either option.
