- Questions

The Access Point

The Toronto Mental Health and
Addictions Access Point

What is The Access Point?

- Central access point to Individual Mental Health Support Services and Supportive Housing for people living with mental health and/or addictions challenges
- Network of 47 Mental Health and Addictions Service providers
- More streamlined access to multiple services through one application form and application process
- More consistent statistics on who is receiving services and identifying service gaps
- Removes barriers to access and reduces duplication of service
- “No wrong door” policy

Integration of Supportive Housing and Individual Support Services activities so far....

- Previously we were two separate access hubs:
 - Coordinated Access to Supportive Housing (CASH)
 - Access 1
- April 2013 – CASH and Access 1 staff moved into a centrally located shared office space at 661 Yonge Street, 4th floor.
- October 2013 – New joint database for staff to use
- July 2014 – Rebranding: Access 1 and CASH become “The Access Point”
- July 2014 – a single website, application form, and phone number to access both services in one easy step. Online submission of the application form will also be an option

What are Individual Support Services?

- ***Intensive Case Management*** - People with serious mental illness are provided one-on-one case management support to live in the community and be linked to appropriate services by their assigned worker
- ***Assertive Community Treatment Teams (ACTT)*** - Multi-disciplinary teams provide treatment, rehabilitation and support to people with severe mental illness in their recovery. Specific eligibility criteria apply for this service.
 - **ACTT providers require the following information to be included in this application:**
 - Specific diagnosis
 - History of hospitalizations – supporting hospital records are recommended

Types of Supportive Housing

- Boarding Homes
- Shared Accommodations
- Self-Contained Apartments: dedicated and scattered units
- Supportive Housing for People with Problematic Substance Use (S.H.P.P.S.U.)
- Mental Health and Justice Initiative (M.H.J.I.)

Applying to The Access Point

- Applicants and/or referrers can complete the new joint application form online at www.theaccesspoint.ca
- Applicants can apply for supportive housing, individual support services, or both on the same application
- If submitting application online, you will get a Temporary application ID# right away to confirm application was received by The Access Point office
- The Access Point office receives the application and reviews it for completeness. If there is any missing information, the applicant and/or referrer will be contacted. Depending on the service applied for, you may have a more thorough conversation with staff to assess the level of need to help match to the right service

Applications for Individual Supports

- Service Navigators complete an assessment interview with the applicant to determine if Case Management or ACTT are the most appropriate support.
- If appropriate, applicant is placed on the waitlist. Community resources may be offered for the interim
- When applicant is matched with a Service Provider, the applicant's file is sent electronically to the service provider who has a vacancy
- The Service Provider contacts the applicant within 7-10 business days to begin service

Applications for Supportive Housing

- A Service Navigator reviews the application for completeness, eligibility, and housing selections.
- If eligible , applicant is placed on the waitlist for supportive housing.
- Applicant is called with client ID#. If there are any concerns regarding selections, Service Navigator may offer suggestions or information to improve matching opportunities.
- When applicant's name comes up for housing, applicant is contacted and offered to be sent to the service provider for consideration for the unit
