Provincial HSJCC Update	<ul style="list-style-type: none"> • HSJCC website at www.hsjcc.on.ca • Next provincial meeting is scheduled for Sept 19th. Jean-Marc was unable to distribute the provincial minutes of the previous meeting, as there is confidential information in the package. There is one page marked 'confidential' that relates to Mental Health Courts. Once this is reviewed at the Sept. 19th meeting the information can be distributed more broadly. • Due to budget restraints; there are no subsidies being provided to local committee members for the Nov 20-22, 2017 provincial HJSCC conference. Jean-Marc and Judy are 	

	<p>attending as co-chairs of this HSJCC Regional committee.</p>	
<p>Regional HSJCC Update</p>	<ul style="list-style-type: none"> Regional and Local meetings are all taking place in September Midland local: Sept 15th Collingwood local: Sept 21st Barrie local: Sept 25th Orillia local: Sept 18th Simcoe-Muskoka (Regional): Sept 18th Janine Jones of CMHA Muskoka (also sits on this HSJCC Regional committee) inquired at our last meeting regarding starting up an HSJCC Muskoka local group. HSJCC Regional Simcoe-Muskoka committee co-chair, Judy Alton did a recent presentation at the LHIN, requesting an additional \$2,500, but was informed that no funds are available at this time. Upon further discussion; we will consider covering some meal costs from the current regional budget. Those who are interested in getting this Muskoka local area group going will be responsible to recruit members & appoint a chair person for their mtgs. There is approx \$2,800 budgeted this year for local projects Judy Alton is retiring in December, so the regional group was seeking a new co-chair. Mary Martin of CNCC will replace Judy 	
<p>Round Table Updates</p>	<p>OPP – Leslie Raymond. The next CIT will take place the first week in October. There are 20 participants. Leslie is not sure what will happen after that, but expects the current format to remain until something else is developed. There is discussion about shortening the course (currently 3 days difficult) or having an on-line version.</p> <p>OPP – Judy Alton. Judy’s replacement could not attend today’s meeting, as she is at a conference. Judy hopes she will be available for the next meeting. Judy has a replacement for the Provincial Committee as well. At our last meeting, Janine enquired about having a 5th local in Muskoka. Judy presented this to the LHIN and requested funding for another local. The LHIN did not have a budget to support the local this year, but would possibly have funds for the next fiscal year. The local could start establishing itself in the meantime and other groups could save some money from their budgets to help them start up.</p> <p>DSO - Mallory Holmes. Mallory recently did a presentation to the Collingwood Local to provide education and help dispel myths about services. She is hoping to do presentations to more HSJCC locals.</p> <p>Barrie Police – Tom Sinclair. He indicated that he is not sure of the future of the COAST program. They have a funding application to have this continue permanently and are looking for 2 positions. The ride alongs continue at this time. Their Wellness Coordinator is on maternity leave and the replacement does not have the same background. It is expected that it will take this person some time to get up to speed on the role. The Canadian Critical Incident Stress</p>	<p>Action: Mallory will present to the Regional committee at our next Nov 27 mtg.</p>

	<p>Foundation is providing a 3-day peer support training Nov. 27, 28, 29 with the South Simcoe Police.</p> <p>Catulpa – Christina Terry. She is presenting at the CIT training regarding crisis response and what their program is, DS services and how to access. She is noticing developmental behavior and misunderstandings as a trend in the community. Christina is replacing Nicole Hamilton for the next 6 months.</p> <p>Waypoint – Terri Newman. Experienced a number of aggressive incidents in August. All were unrelated. Two staff lost time from work due to their injuries. The MOL was in to investigate. In all incidents, staff were following procedures. Waypoint continues to move forward with Naloxone initiative.</p> <p>CMHA – Jean-Marc Pelot. Experiencing a lot of staff changes in the HSJS program due to maternity leaves. Michael Dunn has accepted a permanent position with CMHA Ontario and will no longer be returning. The Research, Evaluation, Quality Improvement (REQI) Director position has been publicly posted by CMHA office in Barrie.</p> <p>John Howard Society – Keith Kacsuta. They had a successful Prisoners Justice Day with a great speaker. It raised awareness and advocacy. They are starting a Youth Mental Health Walk-In Program in Orillia and Barrie for youth ages 12 – 24 years. They had a psychologist start last week. They have received increased funds for a psychiatrist to cover 3 hours/week for video OTN.
